No. L. B. (P.) 759, dated 10th December 1903.

For the more efficient working of the Supervision System in the cities, towns and villages in which it has been or may hereafter be introduced, the Government of His Highness the Maharaja of Mysore, in exercise of the powers vested in them under Section 2, Sub-Section (ii), of the Epidemic Diseases Regulation, 1897, are pleased to prescribe the following Regulations, in supersession of those contained in Notification No. Pg. 556, dated 28th November 1898, and No. Pg. 1096, dated 2nd February 1899.

Section 1—*Definitions.*—The Supervision System shall, for the purpose of these Regulations, mean the daily inspection by Supervisors of each house in any city, town or village into which the said system has been or may hereafter be introduced by the Government by notification in the Gazette, for the purpose of ascertaining each case of sickness or death therein, each arrival thereat, and each departure therefrom.

2. For the purposes of this system the city, town or village shall be divided into Circles which shall be again subdivided into Blocks.

Every Officer in charge of a Circle shall be called a "Superintendent;" of a Block, a "Supervisor."

3. The term "Supervision Officer" includes the Health Officer in the Cities of Bangalore and Mysore and such officer as the Deputy Commissioner of the District may appoint in other towns and villages to be the Chief Controlling Officer for the purpose of this system.

4. A Block shall ordinarily consist of 100 to 200 houses, but this number is liable to variation according to the situation of the houses.

II. Every Block shall have a book, and every house a separate page in the book.

III. Every Supervisor who may be appointed for the purpose of daily inspection, shall be furnished with a printed authority which shall state his name, caste, and the Block for which he is appointed. He shall produce this whenever his identity or authority is questioned.

IV. A printed list, being an exact copy of the Block page, shall be supplied to every house-owner or head of the family, with a request to fill in the same with correct particulars as to name, age, sex, occupation, whether inoculated or not, and if inoculated, whether once or twice inoculated, of all persons living in the house.

The house-owner or head of the family shall, on a date to be notified by the President of the Municipal Commission in the Cities of Bangalore and Mysore, and by the Deputy Commissioners of Districts in other towns and villages, deliver to the Supervisor the said printed list filled in with the abovementioned particulars and duly signed by him.

V. Supervision Officers, Superintendents and Supervisors shall, for the purposes of this system, have power to daily visit each house in their Circles or Blocks and, either by personal inspection, if necessary, or by questioning the inmates of such house, to ascertain each case of sickness or death and its cause, that may have occurred therein and each new arrival thereat, and the place from whence such person has come, and each new departure therefrom, and the place of destination of such departing person.

Provided that when personal inspection is deemed necessary, inspection of females, whenever so required by the householder, shall only be made by females.

VI It shall be the duty of every householder to afford every facility to such Supervision Officer, Superintendent or Supervisor to ascertain the above information; and every inmate of a house so visited by a Supervision Officer, Superintendent or Supervisor, shall be bound to answer truly any question such Officer, Superintendent or Supervisor may ask for the purpose of the above enquiry.

VII. Every person arriving from an infected area on whom an observation notice has been served, shall be bound to appear before the Supervision Officer, Superintendent or Supervisor every day for ten days for observation, and shall on demand produce his observation notice and be bound to answer truly all questions which such Supervision Officer, Superintendent or Supervisor shall put.

VIII. Any person newly arriving from an infected area failing to appear for observation or refusing on demand of such Supervision Officer, Superintendent or Supervisor to produce such observation notice, shall be liable to be removed to such detention shed or camp as the Supervision Officer may direct and to remain there till the completion of his ten days' observation.

IX. In any city, town or village into which the Supervision System has been or may hereafter be introduced, no person shall change his residence from one house to another in such city, town or village, without a permit from his Supervision Officer or Superintendent.

X. Any person disobeying or contravening or refusing to submit himself to, any of the above Regulations, or obstructing any authority or officer appointed under competent authority to carry out any of the above Regulations in the discharge of his duties as such authority or officer, shall be deemed to have committed an offence under Section 188 of the Indian Penal Code, and shall be liable on conviction to imprisonment of either description for a term which may extend to six months, or fine which may extend to Rs. 1,000 or both.
